

Proforma for Schools of Ophthalmology

Information for trainees applying for national recruitment

The ROYAL COLLEGE of OPHTHALMOLOGISTS

<p>Please complete this Proforma and return a copy to the Royal College of Ophthalmologists at jack.merry@rcophth.ac.uk. Please read the information in each section before completing. Please ensure you complete as much information as possible as this will aid trainees in their ranking. Please submit the form as a Word document. This information will be posted on the national recruitment section of the College website.</p>		<p>Miss Alex Tytko Head of Department, Education and Training The Royal College of Ophthalmologists 18 Stephenson Way, Euston, London NW1 2HD</p>	
<p>Please return this by Thursday 11 October 2018</p>			
<p>Name of Deanery: South Yorkshire</p> <p>.....</p>			
<p>Brief Description of Training Programme</p>			
<p>Number of Trainees: 16 (including 4 LTFT sharing 2 slots)</p>		<p>Link to the School of Ophthalmology website:</p>	
<p>Rotation Examples (Flexibly arranged and not binding):</p> <p>Small rotation with the advantage of 5 years in 1 location and good relations and support between trainees and Consultants.</p> <p>General Ophthalmology, including at least 1 placement in: Medical Retina, Glaucoma, Uveitis, Vitreoretina, Cornea, Neuro Ophthalmology, Oculoplastics, Paediatrics, Ocular Oncology. An introduction to cataract surgery, oculoplastic, glaucoma, vitreoretinal and strabismus surgery, covered over the first 3 years.</p> <p>2 years in the peripheral hospitals to consolidate this training and expand cataract surgical training.</p> <p>1 year to complete any gaps in training and get experience of Oncology work.</p> <p>1 year of sub-speciality training (Trainee Selected Component TSC) All areas of sup-speciality offered.</p> <p>On-call 1:10 whilst at The Hallamshire Hospital.</p>			
<p>Hospitals on rotation:</p> <p>5 out of 7 years at The Royal Hallamshire Hospital, Sheffield Teaching Hospital NHS Foundation Trust (Initial 3 years in Sheffield)</p> <p>6 months each in: Doncaster Royal Infirmary, Diana Princess of Wales Hospital Grimsby, Rotherham or Barnsley District general, Scunthorpe District Hospital</p>			
<p>GMC Survey Results (overall trainee satisfaction and educational supervision):</p> <p>2018</p> <p>Only one red flags for work load which is due to some recent changes in the regional on call pattern. This is being looked at and soon their will be extra support with few speciality doctor support for the on calls.</p>			
<p>Surgical Experience</p>			
<p>Simulation Facilities: EyeSi cataract Simulator VR Magic simulator Microscope Access to wet-lab facilities and session in Hull</p>		<p>Average number of Phacos performed by trainees after two years of training: 110 (range 30 – 230) Placement specific surgical experience opportunities in subspecialties – VR, glaucoma, corneal (including grafts), oncology, oculoplastics</p>	

Academia

ACF / ACL Track Records:
No ACF/ACL in South Yorkshire

OOPR Allowances and Stipulation:
All OOPR/OOPT will be considered by the TPD and supported, if possible.

Trainee Research Network links: Opportunities to collaborate with the Yorkshire Research network.
Yorkshire South trainees in process of forming our own network.

Research Opportunities:
Various research trials taking place within the Department
Dedicated research lead
Support from the local research network

A Sample Published Papers by Deanery Trainees (over the last 5 Years):

- Pediatric Uveitis. Chan NS, Choi J, Cheung CMG. *Asia Pac J Ophthalmol (Phila)*. 2018 May-Jun;7(3):192-199..
- Orbital decompression for thyroid eye disease: methods, outcomes, and complications. Jefferis JM, Jones RK, Currie ZI, Tan JH, Salvi SM. *Eye (Lond)*. 2018 Mar;32(3):626-636. doi: 10.1038/eye.2017.260. Epub 2017 Dec 15
- Staged excision of primary periocular basal cell carcinoma: absence of residual tumour in re-excised specimens: a 10-year series. McGrath LA, Meeney A, Currie ZI, Mudhar HS, Tan JH. *Br J Ophthalmol*. 2018 Sep 4. pii: bjophthalmol-2018-312441

National and International meetings where trainees have presented (over the last 3 Years),

AAO
ARVO
ESCRS
BOPSS
RCOphth Congress
Oxford Congress
BIPOSA
BEECS
NEOS
BEEVERS
AIOS

Monitoring of Training Quality

What quality monitoring measures are in place for trainees to feedback on the quality of their training?
Deanery Survey
6 monthly training survey administered by TPD
Face to face meetings with all trainees at ARCP
GMC Survey
Weekly feedback for post graduate teaching

Exam Pass Rates

Outline of all exam pass rates for the RCOphth Exams since September/October 2010:

Exam	Total number of candidates	Number of passed candidates	Pass rate %
Part 1 FRCOphth*	84	56	66.67
Refraction Certificate*	76	52	68.42
Part 2 FRCOphth Written*	86	48	55.81
Part 2 FRCOphth Oral*	78	44	56.41

****These results are for the entire Yorkshire Deanery***

In-house training for RCOphth Examinations
 Significant support for the Refraction exam by in-house Optometrists
 Deanery administered Advanced Clinical Skills Course targeted at the oral part of the Part 2 exam
 Good Part 2 viva support from many consultants.

Regional / Local Teaching Programmes

Description of what the Regional / Local teaching Programmes provide –
 Regular Wednesday afternoon Postgraduate teaching for 40 weeks of the year.
 Good regional meetings (North of England Ophthalmological Society, Yorkshire Retinal Society, Brian Harcourt Meeting)

External Fellowships / TSCs / OOPE

Undertaken by Trainees (over the last 5 Years) –
 3 X TSC in Glaucoma,
 3 XTSC in VR,
 2 X TSC in Paediatrics and strabismus
 1X Medical Retina
 1 X Oculoplastics
 7 of these trainees also moved on to external fellowships in Paediatrics, VR and glaucoma.

Leadership and Management Training Opportunities –
 There is an expectation that trainees will do some form of Management activity every year, opportunities include
 Ward Representative
 Trainee Representative on the Regional Ophthalmic Training Committee
 Deanery Website Liaison trainee
 Administrative Senior Trainee
 Associate College Tutor (responsible for helping to deliver training)
 There are also competitive Management Fellowships available within the Region

Trainee Consultant Appointments (over the last 5 Years)

Anu Maudgil, Paediatric Consultant, Sheffield Teaching Hospitals
Naz Raoof, Strabismus, Consultant, Moorfields Eye Hospital
Nick Mawer Medical Retinal Consultant and Clinical Director, Doncaster Royal Infirmary
Sudipto Bhatta Glaucoma Consultant Hull Royal Infirmary
James Bacon Glaucoma Consultant Magrabi Hospital, Abu Dhabi
Bryan Matthews Med Ret and VR Consultant Albury New South Wales, Australia
Tsiang Ung Paediatric and Oculoplastic Consultant, International Specialist Eye Centre, Kuala Lumpur
Graham Auger, Glaucoma Consultant Royal Hallamshire Hospital, Sheffield
Omar Rafiq Glaucoma Consultant, Rotherham District General Hospital
Alaa Attawan VR Consultant Bradford Royal Infirmary
