

Annual Congress Sponsorship Scheme 2019

The Royal College of Ophthalmologists International Committee and Scientific Committee are offering up to two complimentary admissions to the Annual Congress to colleagues from low and middle income countries as defined by the World Bank.

The ophthalmologists (a senior trainee or consultant) will be offered free registration to the entire Congress. This will be supported by a local 'sponsor' (RCOphth member) who will apply for the scheme on behalf of the delegate. The 'sponsor' must also attend Congress and host the visitor.

Applications will be considered by the International Committee. If you would like to apply for a place, please fill in the application below and return via email to julie.hodgkinson@rcophth.ac.uk by **Friday 22 February 2019**.
